FOREMAN FLATS & SHELLEY TOWNSITE

HIGH WATER ADVISORY

The Regional District of Fraser-Fort George is advising residents to be prepared for increased water flow on the Fraser River and local tributaries by late this evening and throughout tomorrow.

The Regional District asks that you use extreme caution when near the Fraser River or other tributaries and also reminds you of the risks associated with river bank erosion and river bank instability.

It is important for you to contact the Regional District at the following numbers if you experience localized flooding on your property or if you notice other flooding events in your area.

Monday to Friday
8:30 a.m. – 5:00 p.m. 960-4400
