

# Dumpy says, "Did you know?"

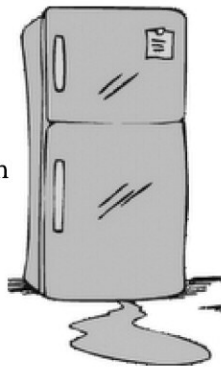

*You have the options to safely recycle or dispose of old appliances or electronics.*

- 1. Items can be taken to a local thrift store for re-use**
- 2. Local recyclers - metal or electronics**
- 3. Your local landfill/transfer station - Foothills Blvd Landfill Swap Shed**

## **FRIDGES / FREEZERS**

- 1. BC Hydro will buy back an old fridge that is in working condition and measures between 10-24 cubic feet. \$30.00 rebate. (See [www.bchydro.com](http://www.bchydro.com) for more details.)**
- 2. Can safely be disposed of at the Foothills Blvd landfill for a \$15.00 fee**

## **ELECTRONICS, TVS, COMPUTERS, MONITORS, PRINTERS**

Can be recycled at your local Encore Return It Depot  
BBK bottle Depot - 250-561-7475

## **WASHERS, DRYERS, STOVES, AND SMALL APPLIANCES**

- 1. If in good working order take to a local thrift store or the Foothills Blvd Landfill Swap Shed.**
- 2. Can be taken to one of our local city transfer stations or the Foothills Landfill at no charge. Please deposit in the metal recycle bins**

## **REGIONAL DISTRICT of Fraser-Fort George**
