Waste
Landfill**

SITE OPERATION

The Legrand Demolition and Construction Waste Landfill is a select waste landfill operated by the Regional District of Fraser-Fort George. Materials accepted for disposal include demolition and construction waste and landclearing debris. Disposal is by appointment only.

The site also provides opportunities for disposal of large loads of source separate scrap metal for recycling.

DELIVERIES

Waste disposal deliveries are by appointment only. Disposal Permit Application forms are available from the Valemount and McBride Transfer Station facilities or by contacting the Regional District of Fraser-Fort George.

TIPPING FEES AND SITE REGULATIONS (Bylaw No. 2146)

A tipping fee is a charge levied for disposal of waste and is based on volume and type of material. Tipping fees apply to all loads accepted at the site.

The fee to dispose of materials at the Legrand site is based on a formula which determines a volume rate in relation to the hauling capacity of the delivery vehicle and the region-wide tipping fee of \$55 per tonne. Per-unit rates apply to items such as auto hulks and off-road type tires. To determine the fee amount, match the Load Class of the vehicle delivering the waste and the waste type.

Load Class Descriptions

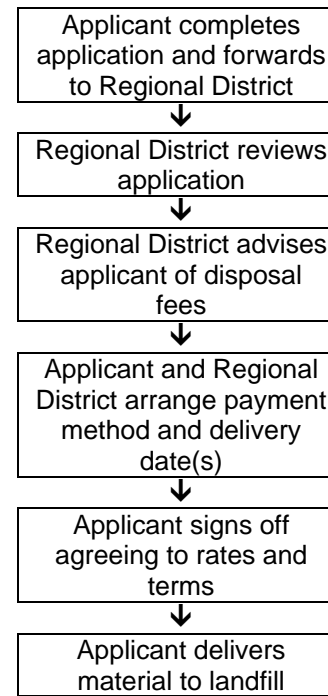

- Class 1** passenger cars and light trucks up to 3 cubic metres capacity
- Class 2** passenger cars and light trucks towing utility trailers, up to 3 cubic metre capacity
- Class 3** trucks up to 8 cubic metre capacity
- Class 4** trucks up to 10 cubic metre capacity
- Class 5** truck and/or trailer up to 15 cubic metre capacity
- Class 6** tandem axle, end dump trucks or container trucks up to 25 cubic metre capacity
- Class 7** tandem axle, end dump trucks or container trucks up to 35 cubic metre capacity
- Class 8** tandem axle dump trucks or container trucks up to 47 cubic metre capacity
- Class 9** To Be Determined

DISPOSAL APPLICATIONS

Disposal application forms must be filled out in advance of any loads being accepted at the landfill site. In order to ensure a timely review of their application, applicants must completely fill out the application form. Applicable information includes source of material, type and amount of materials, preferred project period and the name of a contact person.

Upon review of an application, a Regional District representative will contact the applicant and provide disposal fee amounts, delivery times and deposit requirements (if required).

The applicant process is as follows:

PAYMENT

Payments may be made by cheque, money order, Visa, Mastercard or pre-approved credit account. Customers may apply to the Regional District for credit accounts. Credit Account application forms may be obtained from the McBride or Valemount Regional Transfer Stations or the Regional District website at www.rdffg.bc.ca or from the Finance Department by calling 1-800-667-1959 between 8:45 a.m. and 5:00 p.m., Monday through Friday (excluding statutory holidays).

SALVAGING

Salvaging of materials from this landfill is not permitted.
