

INVITATION TO Quote CS 02-10

**Snow Clearing Services for the
Robson Valley Recreation and Community Centres**

ADDENDUM NO. 1

Please note the change to 1.1 of Scope of Work for ITQ CS 02-10:

Scope of Work, page 9

OLD:

- 1.1 Only a 950 loader (or larger) with a bucket will be considered for the purpose of this project as heavy snow needs to be moved quickly and efficiently. Other available equipment should be listed on the List of Equipment attached to this Invitation to Quote.

REPLACED BY NEW:

- 1.1 **Only a 950 loader, equivalent, or larger with a bucket will be considered for the purpose of this project as heavy snow needs to be moved quickly and efficiently. Other available equipment should be listed on the List of Equipment attached to this Invitation to Quote.**

Please replace page 11, Schedule of Prices, with the following page:
(this page must be used when submitting your quotation)
