

REQUEST FOR PROPOSALS CS 05-09
SHELLEY RIVERBANK EROSION PROTECTION –
ENGINEERING SERVICES

ADDENDUM NO. 2

All references to the work involved in obtaining environmental impact assessment and necessary approvals from Fisheries and Oceans Canada and the BC Ministry of Environment are to be omitted from Request for Proposals CS 05-09. Specifically:

- 6.1 Consider any factors outlined under Section 16(1) of the *Canadian Environmental Assessment Act* including obtaining approvals to work in and about the Fraser River from Fisheries and Oceans Canada and the BC Ministry of Environment.

In recognition of the need to expedite the environmental and design elements of the project, these environmental works have already been contracted to Triton Environmental Consultants Ltd.
