

Addendum No. 5
Request for Proposal ES-11-01

The addendum is being issued prior to the closing of the tenders to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenders shall acknowledge receipt of this Addendum on the Tender Form and shall attach a signed copy of this addendum to their Tender.**

This addendum shall form part of the Contract Documents.

RFP ES-11-01

Question:

This question refers to the analytical parameter tables in the back of the RFP document.

Sulphide is listed in Tables 2, 3, 4, and 5; however it is not listed in Table 1 for Foothills Boulevard Regional Landfill. Should this parameter be included in the monitoring program at Foothills Boulevard Regional Landfill (Table 1) as well?

Response:

Yes, sulphide (as H₂S) should be included in the monitoring parameters for Foothills Boulevard Regional Landfill.

Question:

This question refers to the analytical parameter tables in the back of the RFP document.

Total oil and grease is listed in Table 1 (Foothills Boulevard Regional Landfill) only. Is this parameter only required at Foothills Boulevard regional Landfill?

Response:

Yes, this parameter, total oil and grease, is only required at Foothills Boulevard Regional Landfill.

Date: February 14, 2011
