The Recycling & Environmental Action Planning Society (REAPS) [www.reaps.org](http://www.reaps.org) offers workshops and provides information brochures on home composting. For more information, call REAPS at 250-561-7327.

Yard & garden trimmings (leaves, grass and hedge clippings, plants, flowers, vegetable stalks, shrub and tree branches up to 75mm (3in) in diameter) are accepted at the Shelley Regional Transfer Station for inclusion in the centralized composting operation at the Foothills Landfill. Weeds, land clearing debris or industrial sources of wood waste are not accepted for composting.

## Swap Shed

The Shelley Regional Transfer Station has a materials exchange area where reusable items can either be dropped off or picked up free of charge.
