Dear Chairperson,

I have been instructed by the Tete Jaune Community Club to inform the Board that it is our wish that a community cemetery be developed on Crown land that is adjacent to and or surrounding the hall.

The club would expect the R.D. to oversee the development and operation of the proposed cemetery.

We respectfully request that a feasibility study be carried by the R.D.

Thank you.

F. Kiyooka,
Secretary Treasurer,
Tete Jaune Community Club.
