Community Emergency Preparedness Planning

CORE VALUES

TRUST • LEADERSHIP • COMMUNICATION

THE COMMUNITY

Emergency Plan & Contacts

Emergencies: DIAL 911 - Remain Calm - Describe the Situation - Stay on the Phone.

This Emergency Plan & Contact

development project was initiated at a members meeting of the Nadsilnich (West) Lake Community Association. They wanted to revive a form of community emergency planning that would be simple and effective for rural communities.

If you or your community would like to learn more, please contact the Regional District Emergency Services Coordinator at 250-960-4443.

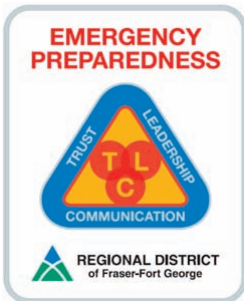

CORE VALUES

TRUST • LEADERSHIP • COMMUNICATION

Expectations of The Individual

Will be:

- Aware of the specific hazards around them.
- Willing to accept their strengths and vulnerabilities to respond and recover.
- Capable of taking self-protective action.
- Willing to offer or receive support.

Expectations of The Community

Will be:

- Aware of the general hazards that are in or near their community.
- Willing to communicate with their community members and take action.
- Willing to offer or receive support.
- Capable of taking communal actions to provide for protection or transportation of vulnerable community members.
