

ADDENDUM No. 3

**Invitation to Quote CS 15-02
Canoe Valley Recreation Centre – Condenser Replacement**

*The addendum is being issued prior to the closing of the Invitation to Quote (ITQ), to provide further information, make changes to, or to clarify the ITQ document and is to be read, interpreted and coordinated with all other parts of the document. In the case of a conflict with the balance of the document, this addendum shall govern. **Tenderers shall acknowledge receipt of this addendum on the ITQ form and shall attach a signed copy of this addendum to their submission.** All addendums issued prior to the close of the ITQ shall form part of the Contract Documents.*

With respect to the support stand referenced in 9.1.1 (page 10):

“The refrigeration contractor is to carry a prime cost sum of up to \$15,000 for construction of the condenser support stand as part of their work. The expenditure of this sum will be authorized by the Owner for the construction of the condenser stand under the supervision of the refrigeration contractor. The refrigeration contractor is to engage a structural engineer for professional review for the work and obtain prices for construction of the condenser stand.” This PC sum does not include the condenser platforms or ladder access.
