ADDENDUM No. 2

**Request for Proposal CS-16-09
Electrical Equipment Purchase for Auxiliary Power Supply**

*The addendum is being issued prior to the closing of the request for proposal to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Bidders shall attach a signed copy of this addendum to their Proposal.** This addendum shall form part of the Contract Documents.*

Question #1: with regard to point 3.3 e (Page 4) – Proposal Format, is an acknowledgement of this page and its inclusion in the submission acceptable or are engineering drawings required at this time?

Answer: The requirements in Appendix A – Submittal Procedures may include duplicate information as the specific formatted documents provided.

The drawings are required for the tender package. The drawings/information to be submitted is for typical equipment (standard data sheets for equipment).

Detailed and project specific drawings are to be provided after award of contract for engineering review and for O & M manuals.
