**REQUEST FOR PROPOSALS PS-14-02
NEW WATER TENDER FIRE APPARATUS
BEAR LAKE VOLUNTEER FIRE DEPARTMENT**

ADDENDUM NO. 1

The following question has been raised:

1. Question:

RFP states - "All plumbing and valves to be galvanized steel. No exception". Would Stainless steel be acceptable to the department?"

Answer:

The wording in RFP PS-14-02, page 14, under "Plumbing and Controls", Line # 2 will be changed to read the following:

"Preference is for all plumbing and valves to be galvanized steel. Please state what is being provided in the bid, and state the warranty provided _____."
