

Addendum No. 2

Request for Proposals – ES-16-15

DESIGN AND DEVELOPMENT OF THE VALEMOUNT LANDFILL CLOSURE PLAN

The addendum is being issued prior to the closing of the RFP to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Proponents shall acknowledge receipt of this Addendum on the Proposal Form and shall attach a signed copy of this addendum to their Proposal.** This addendum shall form part of the Contract Documents.

Can you please clarify if,

Q 1: a recent topographic survey will be made available to the successful proponent after award of the project.

No topographical survey will be available for the RFP process.

Q 2: if a survey will be provided, will it be available in AutoCad format, to allow its use in preparing base plans, etc.

No topographical survey will be available for the RFP process.
