INVITATION TO TENDER

The Regional District invites tenders for Caretaker Services for the Bear Lake, McLeod Lake and Summit Lake Regional Transfer Stations.

The scope of work includes opening and closing the facility in accordance with the hours of operation, remaining onsite during hours of operation for sites that have defined hours in tender document, maintaining the transfer station facility in a neat and orderly condition and ensuring that the facility is safe for users, maintaining informational signage, monitoring refuse loads and providing recycling and disposal advice to site users. Transfer Station facility services will be provided throughout the year. The contract term is December 1, 2018 to November 30, 2021.

Sealed Tenders will be received by the General Manager of Financial Services, Regional District of Fraser-Fort George, 3rd Floor, 155 George Street, Prince George, BC up to 10:00 a.m. on Monday, November 5, 2018. The responding organization or individual must also have their name, full mailing address, Tender number and description clearly marked on the outside of the Tender envelope **as well as** on the outside of the Courier Envelope if being sent by courier. Tenders will be opened in public at 10:15 a.m. on Monday, November 5, 2018.

Tender Documents may be obtained on or after October 17, 2018:

- A) In a PDF (Public Document Format) file format from the Regional District's website at www.rdffg.bc.ca ,
- B) On the BCBid® website at www.bcbid.gov.bc.ca, or
- C) In a hard copy format from the Service Centre at 155 George Street, Prince George, BC between the hours of 8:00 a.m. and 5:00 p.m. Monday to Friday excluding Statutory holidays. The cost for each hard copy tender package is ten dollars (\$10) (taxes included) and is non-refundable.

A mandatory pre-tender site meeting will be held at 10:15 a.m. on Wednesday, October 24, 2018 at the Bear Lake Regional Transfer Station site. Tender submissions received from any bidder who did not attend and remain for the duration of the mandatory site meeting will be rejected.

The lowest or any Tender will not necessarily be accepted. The Regional District of Fraser-Fort George reserves the right to accept or reject any or all Tenders. Tenders submitted by fax, electronically or not in original Regional District format will NOT be accepted.

Caretaker Services – Bear Lake, McLeod Lake and Summit Lake Regional Transfer Stations
Invitation to Tender ES-18-14
3. Responding Organization's name and address.

Tenders submitted by fax, electronically or not in original Regional District format will not be accepted.

Any Tender received after the closing date and time (Monday, November 5, 2018) will be considered disqualified and will be returned unopened to the respondent.

Regional District's Right to Reject Tender

The Regional District reserves the right, in its sole discretion, to waive informalities in tenders, reject any and all tenders, or accept the tender deemed most favourable in the interests of the Regional District. The lowest, or any tender, will not necessarily be awarded.

Tenders which contain qualifying conditions or otherwise fail to conform to the instructions contained in this ITT may be disqualified or rejected. The Regional District may, however, in its sole discretion, reject or retain for its consideration tenders which are non-conforming because they do not contain the content or form required by the ITT, or for failure to comply with the process for submission set out in this ITT, whether or not such non-compliance is material.

The Regional District reserves the right to reject a tender based on potential or perceived conflict of interest on the part of a tenderer. Without limitation, the Regional District reserves the discretion to reject any tender where:

- a) one or more of the directors, officers, principals, partners, senior management employees, shareholders or owners of the tenderer, is an officer, employee or director of the Regional District, or is a member of the immediate family of an officer, employee or director of the Regional District; or
- b) in the case of a tender submitted by a tenderer who is an individual person, where that individual is an officer, employee or director of the Regional District, or is a member of the immediate family of an officer, employee or director of the Regional District.

By submitting a tender, the tenderer confirms that clauses a) and b) above are not applicable.

The Regional District reserves the right to reject any tender submitted by a tenderer who is, or whose principals are, at the time of tendering, engaged in a lawsuit against the Regional District in relation to work similar to that being tendered.

Proof of Ability

A Tenderer will be competent and capable of performing the work. A Tenderer may be required to provide evidence of previous experience and financial responsibility before the contract is awarded.

A complete list of the equipment, which the Tenderer will make available for the completion of the contract, will be included with each Tender.

Security Deposit

A certified cheque, bank draft or money order in the amount of Five Hundred Dollars (\$500) must accompany the Tender. This security deposit will be returned to all unsuccessful bidders within sixty (60) days of the Tender opening and to the successful bidder when a contract has been executed. Failure of the successful bidder to execute the contract upon award by the Regional Board will result in forfeiture of the Five Hundred Dollars (\$500) Security Deposit.

Discrepancies or Omissions

Tenderers finding discrepancies, errors, or omissions in this ITT, or requiring clarification on the meaning or intent of any part therein, should immediately request in written form by email, clarification from the Project Manager. Upon receipt of the written request for clarification, the Project Manager will send written instructions or explanations by email to all tenderers registered as having returned the Acknowledgement Letter. The Regional District will not accept responsibility for any damages, costs or expenses incurred by a tenderer in reliance on oral instructions. Any work done in preparation of a tender after discovery of discrepancies, errors or omissions in the ITT will be done at the tenderer's risk unless the discrepancy, error or omission is reported to the Project Manager in accordance with this provision.

Addenda and Amendments issued during the time of Tendering will be signed by the Contractor and included with the Tender and will become a part of the Tender documents.

Examination of Contract Documents and Site

The Contractor will satisfy himself as to the practicability of executing the work in accordance with the Contract, and he will be held to have satisfied himself in every particular before making up his Tender by inquiry, measurement, calculation and inspection of the site.

The Contractor will examine the site and its surroundings and, before submitting his Tender will satisfy himself as to the nature of the site, the quantities and nature of the work and equipment necessary for the completion of the work, and the means of access to the site, the accommodation he may require, and in general, will obtain all relevant information as to risks, contingencies and other circumstances which may influence his Tender.

The Contractor will be deemed to have satisfied himself as to the sufficiency of the Tender for the work and the prices stated in the Schedule of Prices. These prices will cover all his obligations under the Contract, and all matters necessary to the proper completion and maintenance of the work, and will include the supply of all labour, equipment, material, supervision, services, taxes and assessments, together with the Contractor's overhead and profit, except where otherwise provided elsewhere in this Contract.

Bid Prices

Tender prices must remain open for acceptance for a period of sixty (60) days from the time of Tender opening (November 5, 2018), unless otherwise stated by the Regional District.

Tenders will be evaluated on the ability of the Tenderer to comply with Contract requirements, the Tendered Price and experience. Where bid prices are the same, the Regional District will consider experience in similar work beyond the minimum standards established in the Contract.

The Regional District of Fraser-Fort George will not be responsible for any costs incurred by the respondent which may result from the preparation or submission of documents pertaining to this Tender.

Mandatory Pre-Tender Site Meeting

A **mandatory site meeting** will be held for all prospective bidders. The meeting will be held at the Bear Lake Regional Transfer Station at 10:15 a.m., October 24, 2018. A representative of the Regional District will provide an overview of the contract expectations and be available for questions pertaining to the tender package. **Tender submissions received from any bidder who did not attend and remain for the duration of the mandatory site meeting will be rejected.**

Start and Duration of Contract

The Contract will begin on December 1, 2018 at 12:01 a.m. and the Contract will remain in force until midnight November 30, 2021. The Contract may be renewed on a period-by-period basis at the Regional District's discretion. Each period of renewal will be as per the Schedule of Prices at the tendered rates to the maximum of two (2) years. Each extension will be for a one-year period and the total Contract duration will not exceed five (5) years.

ATTENTION: General Manager of Financial Services

Dear Sir/Madam:

Having carefully examined the Instructions to Tenderers, Tender Form, Contract Agreement, General Conditions of Contract and Operational Specifications and subsequent written addenda (if any), and having visited the site(s) for purposes of examining site conditions and having become familiar with all conditions that affect the execution of the work, and having satisfied himself as to the sufficiency of the Tender the undersigned agrees to furnish all labour, equipment, materials, supervision and services and do all work necessary for and reasonably incidental to the caretaker services at the Bear Lake, McLeod Lake and Summit Lake Regional Transfer Stations as specified, in accordance with the contract documents.

I/We agrees that in consideration of having its Tender considered for the prices shown on the Schedule of Prices, the Tendered price is open for acceptance within sixty (60) days of the Tender opening and will not be withdrawn during that period of time.

The Tendered price includes all taxes, duties and all other additional charges on any or all materials, equipment and labour, and it is understood that payment will be made for the completion of all work specified in the Contract on the basis of the prices Tendered only and that any approved extras or refunds will be made by mutual agreement between the Regional District and the Contractor.

I/We agree that the sub-contractor(s) employed will be as listed on the List of Sub-Contractors and further agree that no changes or additions will be made to the list without written approval of the Regional District.

If I am/we are notified in writing of the acceptance of our tender, I/we agree that within fourteen (14) days of the date of the acceptance notice I/we will enter into a contract and execute an agreement for the stated sum in the form of the specimen submitted to guarantee completion of the contract in accordance with the contract documents and within the time stated in the Tender documents.

Accompanying this Tender, please find our security deposit in the amount of Five Hundred Dollars (\$500).

It is understood that the successful Tenderer will forfeit all claims for execution of a contract with the Regional District if the Tenderer fails or refuses to execute a contract within fourteen (14) days after notification that he is the successful Tenderer.

I/We agree that the Regional District of Fraser-Fort George reserves the right to waive informalities in tenders, reject any or all tenders, or accept the tender deemed most favourable in the interests of the Regional District.

1. DEFINITION OF TERMS

"CONTRACT DOCUMENTS" or "CONTRACT" means and includes the complete and completed set of all documents, specifications, drawings and addenda incorporated therein, as listed in the Table of Contents.

"CONTRACTOR" means the successful Tenderer who enters into the Contract Agreement.

"EQUIPMENT" means anything and everything except persons used by the Contractor in performance of the Work and except material as defined herein.

"MUNICIPAL SOLID WASTE" has the same meaning as defined by the *EMA*.

"REGIONAL DISTRICT" means the Regional District of Fraser-Fort George.

"ROAD" means the designated areas within the Facility with surfaces that have been prepared for vehicular traffic.

"SUB-CONTRACTOR" means any person, firm, or corporation approved by the Regional District having a contract for the execution of a part or parts of the Work included in this Contract and worked to a special design according to the drawings or specifications but does not include one who furnished material.

"SUPPLY" or "PROVIDE" means supply and pay for and provide and pay for.

"TRANSFER STATION PROPERTY" means the property occupied by the Regional District of Fraser-Fort George for the purpose of operating a Transfer Station and/or Marshalling Area.

"WORK" or "WORKS" means, unless the context otherwise requires, the whole of the work and materials, labour matters and things required to be done, furnished and performed by the Contractor under this Contract.

2. INTENT OF CONTRACT DOCUMENTS

The intent of the Contract Documents is that the Contractor will provide, all materials, supervision, labour, equipment and all else necessary for, or incidental to, the proper execution of the Work described in the Tender documents or as directed by the Regional District and all incidental Work to complete the project.

This Agreement is not an Agreement of employment. The Contractor is an independent Contractor and nothing herein shall be construed to create a partnership, joint venture or agency and neither party shall be responsible for the debts or obligations of the other.

3. LOCAL CONDITIONS

The Contractor will, by personal inspection, examination, calculations or tests, or by any other means, satisfy himself with respect to the local conditions to be encountered and the quantities, quality and practicability of the work and of his methods of procedure. No verbal agreements or conversation with any officer, agent or employee of the Regional District, either before or after the execution of the Contract, will affect or modify any of the terms or obligations herein contained.

4. MANAGER'S STATUS

The Manager will be the Regional District's representative during the period of operation and will observe the Work in progress on behalf of the Regional District for the purpose of ensuring that the Contractor maintains the Facility in a satisfactory condition, and for ensuring that the Work has been satisfactorily carried out. The Manager will have the authority to stop the Work whenever such stoppage may be necessary, in their opinion, to ensure the proper execution of the Work in accordance with the provisions of the Contract.

If at any time the Manager is of the opinion that there exists a danger to life or to property, they may order the Contractor to stop Work or to take such remedial measures as is considered necessary.

The Contractor will comply with such an order immediately. Neither the giving or the carrying out of such orders thereby entitles the Contractor to any extra payment and the Regional District will not be held liable for any damages or any breach of laws, bylaws or regulations that may result.

5. REPORTS

The Contractor will upon the request of the Manager fully inform the Manager of the Work done and to be done by the Contractor in connection with the provision of the services (see attached reports).

6. SUPERVISOR AND LABOUR

The Contractor will keep on the Work at all times during its progress, a competent supervisor. The Contractor will identify the person who will act as the supervisor, in writing, to the Regional District. The supervisor will represent the Contractor in his absence and directions given to him will be considered to have been given to the Contractor. The supervisor will have the ability to report to the appointed Regional District's representative and have the authority to act on contractual obligations on behalf of the Contractor

The Contractor shall employ at all time, qualified and experienced personnel to carry out the Work. The Contractor will keep on the Work when required, during operating hours, a minimum of one person. The Contractor will provide additional personnel required to carry out the Work.

The Contractor will comply with all federal and provincial legislation regarding wages and labour regulations including payment of any and all dues, levies, or charges made under or in relation to the Contract. The Contractor will make proof of payment available to the Manager when requested.

7. CHARACTER OF WORKERS

All workers must have sufficient knowledge, skill and experience to perform properly the work assigned to them and to be tactful and courteous in dealing with the public and the Regional District's staff. Any supervisor or worker employed by the Contractor or sub-contractor who, in the opinion of the Manager: does not perform his work in a competent manner; appears to act in a disorderly or intemperate manner; appears to be under the influence of drugs or alcohol or is wilfully negligent will, at the written request of the Manager, be removed from the site of the Work immediately and will not be employed again in any portion of the Work without the approval of the Manager.

8. ASSIGNMENT OF CONTRACT

The Contractor will not sublet, sell, transfer, assign, or otherwise dispose of the Contract or any portions thereof, or his right, title or interest therein, or his obligations thereunder without written consent of the Regional District, except for assignment to a bank of the payments to be received hereunder.

9. CONFIDENTIALITY

In accordance with the *Freedom of Information and Protection of Privacy Act*, the Contractor will treat as confidential and will not, without the prior written consent of the Manager, publish, release or disclose or permit to be published, released or disclosed, any information supplied to, obtained by, or which comes to the knowledge of the Contractor as a result of this Contract except insofar as such publication, release or disclosure is necessary to enable the Contractor to fulfil his obligation under this Contract, or by the laws of British Columbia.

10. REGIONAL DISTRICT'S TERMINATION OF CONTRACT

In the event of the breach or non-performance by the Contractor of any of the covenants, conditions and agreements contained in the Contract to be performed or stoppage under Article 4, the Regional District reserves the right to terminate this Contract without notice. The Regional District may also deduct from the payments due to the Contractor any payments or expenditures it is required to make to remedy any such non-performance or breach hereof.

Any salvaging by the Contractor, their workers or sub-contractors will be considered a breach of Contract and may result in termination of the Contract.

11. CONTRACTOR'S TERMINATION OF CONTRACT

The Contractor shall have the right to terminate the Contract in the event the Regional District fails to pay for the Work performed except as provided in the Contract Documents, within thirty (30) days from the specified date of payment, and fails to remedy such default within ten (10) days of the Contractor's written notice to do so.

12. SUB-CONTRACTS

The sub-contractors named in the Tender Form will not be changed nor will additional sub-contractors be employed except with the written approval of the Manager. The Contractor is responsible to the Regional District for the acts and omissions of his sub-contractors and of their workers to the same extent that he is responsible for the acts or omissions of the Contractor's workers. Nothing in the Contract Documents will create any contractual relations between any sub-contractor and the Regional District. The Contractor will bind every sub-contractor to the terms of the Contract Documents.

13. OWNERSHIP

The Material produced, received or provided by the Regional District to the Contractor as a result of this Agreement and any equipment, machinery or other property provided by the Regional District to the Contractor as a result of this Agreement will:

- (a) be the exclusive property of the Regional District; and
- (b) immediately be delivered by the Contractor to the Regional District giving written notice to the Contractor requesting delivery of the same, or at the end date of this Agreement.

14. REGIONAL DISTRICT'S RIGHT TO CORRECT DEFICIENCIES

Upon failure of the Contractor to perform the Work in accordance with the Contract Documents, and after five (5) days written notice to the Contractor, or without notice if any emergency or danger to the Work or public exits, the Regional District may, without prejudice to any other remedy he may have, correct such deficiencies. The cost of work performed by the Regional District in correcting deficiencies shall be paid by the Contractor or may be deducted from monies payable to the Contractor.

15. INDEMNITY AND RELEASE BY CONTRACTOR

The Contractor will indemnify and save harmless the Regional District from and against all losses, claims, demands, payments, suits, actions, recoveries and judgements of any kind brought or recovered against either of them by reason of any act or omission of the Contractor, its Sub-contractors, agents or workers arising from the entering of the Contract or the carrying out of the Work, whether on the Regional District's lands and whether arising from statutory liability or not.

16. PERMIT AND REGULATIONS

The Contractor shall, at his own expense, procure all other permits, certificates and licences required by law for the execution of the Work and will comply with all federal, provincial and local laws and regulations affecting the execution of the Work, save in so far as the Contract Documents specifically provide otherwise.

If the Contractor shall discover any provision in the Contract that is contrary to or inconsistent with any laws or regulations, the Contractor will notify the Manager in writing.

17. INJURY OR DAMAGE TO PERSONS OR PROPERTY

The Contractor will use due care and take all necessary precautions to ensure the protection of persons and property on the site and will comply with the *Workers' Compensation Act* of the Province of British Columbia. The Contractor will be liable for any and all injury or damage which may occur to person or to property on the site due to any act, omissions, neglect or default of the Contractor, or his workers, sub-contractors or agents and indemnify and save harmless the Regional District in this regard.

The Contractor will immediately report any on-site injury or damage to the Regional District's property to the Regional District.

18. PROTECTION OF WORK AND PROPERTY

The Contractor shall take all reasonable precautions necessary to protect the Regional District's property from damage during the performance of the Contract and shall make good on any damage to the Regional District's property caused by the Contractor, its Sub-Contractor, employees, or agents during the performance of the Contract.

19. OCCUPATIONAL HEALTH AND SAFETY

The Contractor will use due care and take all necessary precautions to assure the protection of persons and property at the Facility and will comply with the *Workers' Compensation Act* of the Province of British Columbia.

20. CHANGES IN THE WORK

The Regional District, without invalidating the Contract, may make changes by altering, adding to, or deducting from the Work. The Contractor will proceed with the Work as changed and the Work will be executed under the provisions of the Contract. No changes will be undertaken by the Contractor without written order of the Regional District, except in an emergency endangering life or property, and no claims for additional compensation will be valid unless the change was so ordered. The Regional District will entertain no payment for extra work or changes in any Contract unless a Change Order form or Purchase Order is completed and signed by the Regional District and the Contractor.

21. PAYMENT

The Contractor will invoice the Regional District on a monthly basis. The invoice will itemize payment due for services delivered at the facility during the previous month based on Line A of the Tender Sum in the Schedule of Prices.

The Regional District will by the thirtieth (30th) day of the month following that for which payment is required on receipt of an invoice and on advice from the Manager that the Work has been satisfactorily carried out, pay the Contractor for Work completed in accordance with the Contract in the previous month. No payment will be made for materials supplied by the Regional District.

22. GOODS AND SERVICES TAX (GST)

Federal law states that five percent (5%) tax be paid on all goods and services. If the Contractor does not qualify as a small supplier then the Contractor is required to identify the GST tax on all invoices and the Regional District is liable to pay this amount to the Contractor.

23. PAYMENT WITHHELD OR DEDUCTED

The Regional District may withhold, suspend or deduct the whole or part of any payment to the Contractor to the extent necessary to protect himself from loss on account of one or more of the following:

- (a) Where the Contractor is not performing the Work satisfactorily.
- (b) Where any defective or faulty Work has not been remedied.
- (c) Where there are affidavits of claim of lien, or liens filed against the site and premises on which the Work is done or is being done, or reasonable evidence of the probable filing of such affidavits of claim of lien or of filing or registration of liens.
- (d) Where there exist unsatisfied claims for damages caused by the Contractor to anyone on the site or in connection with the Work.
- (e) Where the Regional District has corrected a deficiency under Article 14.
- (f) Where the Contractor is delinquent in their WorkSafeBC coverage.

24. INSURANCE

The Contractor shall, without limiting its obligations or liabilities, and at its own expense, provide and maintain throughout the Contract term, the following insurances with insurers licenced in the Province of British Columbia, in forms acceptable to the Regional District. All required insurance (except automobile insurance on vehicles owned by the Contractor) shall be endorsed to show the Regional District as additional insured and provide the Regional District with thirty (30) days' advance written notice of cancellation or material change. The Contractor will provide the Regional District with evidence of the required insurance, in a form acceptable to the Regional District, upon notification of award and prior to the execution and delivery of the Contract:

- i. Commercial General Liability (CGL) in an amount not less than \$3,000,000 inclusive per occurrence insuring against bodily injury and property damage and including liability assumed under the Contract. The Regional District is to be added as an additional insured. Such CGL coverage shall include the following liability extensions: Contingent Employers Liability, Broad Form Products & Completed Operations, Personal Injury, Blanket Contractual, and Cross Liability.
- ii. Automobile Liability on all vehicles owned, operated, or licenced in the name of the Contractor in an amount not less than \$2,000,000 per occurrence.
- iii. Non-owned Automobile Liability insurance in an amount not less than \$2,000,000 per occurrence.
- iv. Equipment insurance on all equipment owned or rented by the Contractor to its full insurable value.

The Contractor shall ensure that all sub-contractors forming from this Contract meet the insurance requirements as outlined above.

25. DURATION OF CONTRACT

The duration of the Contract will be from 12:01 a.m., December 1, 2018 to midnight, November 30, 2021. The Contract may be renewed on a period-by-period basis at the Regional District's discretion for up to two (2) years. Each extension will be for a one year period and the total contract duration will not exceed five (5) years. Each period of renewal will be as per the Schedule of Prices at the tendered rates.

26. WORKSAFEBC

Prior to undertaking any of the work, the Contractor will provide its WorkSafeBC number and will keep current all assessments required by WorkSafeBC in relation to, and for, the duration of the work. The Contractor will provide a clearance letter from WorkSafeBC to the Regional District prior to commencement of the work and every six (6) months thereafter during the term of the Contract..

Where the contractor may not be eligible for WCB coverage, the contractor should provide a copy of a letter from the WCB confirming ineligibility.

27. CONTRACT PERFORMANCE REVIEWS

From time to time as deemed necessary, the Manager may request that the Contractor participate in a Contract performance review. Documented performance arising from such reviews may be used as basis for alteration of the scope of work or suspension/termination of the Contract.

28. DISPUTED WORK

If, in the opinion of the Contractor, he is being required to perform work beyond that which the Contract requires him to do, whether at the discretion of the Regional District or otherwise, he will within five (5) days deliver to the Manager a written notice of protest in the form prescribed herein prior to proceeding with any of the disputed work. The five (5) day time period commences from the time of direction given by the Manager or the time at which the Contractor determines that he is required to perform such work, whichever occurs first.

The Contractor will keep accurate and detailed cost records that should indicate the cost of the work done under protest. The Contractor will not be entitled to payment if he fails to keep and produce such records.

29. RIGHTS OF WAIVER

A waiver of any breach of or provision of this Agreement will not constitute or operate as a waiver or any other breach of any other provisions, nor will any failure to enforce any provision herein operate as a waiver of such provisions or of any other provisions.

30. SEVERABILITY

All articles of the Contract are severable one from the other. Should a court of competent jurisdiction find that any one or more articles herein are void, the validity of the remaining paragraphs hereof will not be affected.

1. GENERAL

These specifications describe the operation of the Bear Lake Regional Transfer Station located at Bear Lake, BC; the Summit Lake Regional Transfer Station located near Summit Lake, BC; and the McLeod Lake Regional Transfer Station located near McLeod Lake, BC.

Each Facility has a bin system for receiving municipal solid waste. The Bear Lake Facility also has a Marshalling Area for a source-separated waste reduction program which includes yard and garden materials intended for windrow composting, scrap metal recycling, scrap tire recycling and a Swap Shed waste exchange area.

The Facility has bins for receiving municipal solid waste.

- 1.1 The Contractor will, at their own expense, pay for and supply all equipment, labour and materials to operate the Facilities in accordance with the conditions herein.
- 1.2 The Contractor will accept for disposal or recycling all materials as directed by the Regional District.
- 1.3 The Contractor will carry out and comply with every order and instruction given by the Regional District pursuant to applicable provincial and federal legislation, criteria and guidelines in operating the Facilities.
- 1.4 The Facilities will be operated in accordance with permits and operational certificates issued by the Ministry of Environment to the Regional District. The operations will also comply with guidelines outlined in the Regional District of Fraser-Fort George Regional Solid Waste Management Plan, and industry accepted practices.
- 1.5 The Contractor will agree to exercise good public relations in exercising their authority under this Contract. The Contractor and their workers and approved Sub-Contractors must possess full knowledge of each Facilities' operating procedures and carry out the Work in a timely, neat and orderly manner. The Contractor will advise and direct site users to the proper disposal, marshalling or recycling area within the Facilities.
- 1.6 All salvage arrangements, including controlled removal of materials from the sites, will be the responsibility of the Regional District. Nothing in the Contract Documents is to be interpreted as giving the Contractor exclusive rights to accept and process recyclable or salvageable materials at the Facilities or anywhere else in the region.
- 1.7 Under no circumstances will the Contractor, their workers or their Sub-Contractors salvage materials from the Facilities. Salvaging by the Contractor, their workers or their Sub-Contractors will be considered to be a breach of Contract and may result in the termination of the Contract.
- 1.8 The Facilities are located in wildlife interface areas and can attract wildlife. The Contractor will ensure that workers are properly trained so that conflicts with wildlife are avoided.
- 1.9 The Contractor will ensure that their workers and Sub-Contractors, if applicable, do not smoke anywhere within the Facilities.
- 1.10 The Contractor shall not ignite or burn materials without the consent of the Regional District.

2. OPERATING HOURS

The Transfer Station receiving bins at each Facility will operate from dusk to dawn seven days per week, 365 days per year.

The Bear Lake Facility Marshalling Area operating hours will be:

Summer – April 1 to October 31

Thursday 10:00 a.m. to 3:00 p.m.
Saturday 12:00 noon to 5:00 p.m.

Winter – November 1 to March 31

Thursday 10:00 a.m. to 3:00 p.m.
Saturday 10:00 a.m. to 3:00 p.m.

The Marshalling Area will be closed on New Year's Day and Christmas Day.

The Regional District retains the right to adjust operating hours of Marshalling Area operations. The Regional District will provide two (2) weeks advance written notice to the Contractor of any change in operating hours

The Contractor will have at least one worker in attendance during Marshalling Area operating hours. The Contractor will open and close access gates in accordance with the instructions given by the General Manager.

3. FREQUENCY OF SITE VISITS AND MAINTENANCE

During high use times, the Contractor may be required to visit the sites daily. During slower times, the sites may only need to be visited a couple of times per week. The Regional District's expectation is that the sites are clean, tidy and safe for public use. Keeping the sites clean and tidy deters wildlife activity.

4. WASTE SCREENING PROGRAM

The Contractor will assist the public in the safe and proper use of the Facilities while on-site. The Contractor will conduct a waste screening program. The program will include a visual inspection of each load to be disposed of in the Marshalling Area. The Contractor will also visually inspect all bins on each visit for Controlled or Prohibited Waste materials. The Contractor will notify the General Manager immediately when the Contractor discovers a Controlled or Prohibited Waste in a bin.

The Contractor will direct large loads or loads of unacceptable materials to other appropriate waste management facilities.

5. MATERIALS NOT ACCEPTED

The Regional District will provide the Contractor with a list of Controlled Waste and Prohibited Waste materials. The Contractor will visually inspect all loads for Controlled Wastes or Prohibited Wastes prior to accepting the loads for disposal. The Contractor will not accept prohibited materials at the Marshalling Area Facility.

The Contractor will notify the Regional District where the following is observed:

- waste is a powder, sludge, or gaseous material or contaminated soil;
- waste is in barrels, small sealed containers, tanks or pressure vessels;
- waste has a chemical or other unusual description;
- container is marked with warning labels;
- waste has an unusual odour or appearance;
- waste falls into one of the hazardous waste classifications; or
- waste is not familiar to the Contractor.

When the Contractor identifies a Controlled Waste or Prohibited Waste, they will immediately notify the customer delivering the material and then notify the Regional District. The Contractor will direct loads of Prohibited Materials to the appropriate waste disposal facility or agency.

The Regional District may continue to adjust the number of items banned or restricted from disposal.

6. TRANSFER STATION – RECEIVING BINS

- 1.11 The Transfer Station receiving bin system is designed to accept household waste generated from local residences. A list of materials not accepted for disposal will be provided by the Regional District and amended from time to time.
- 1.12 The Contractor will ensure that the exterior of the containers are maintained in a clean and sanitary condition.
- 1.13 During each servicing, the Contractor will clean up accumulations of litter and garbage and ensure that access to the receiving, refuse and multi-material recycle bins remains unobstructed.
- 1.14 During each servicing, the Contractor will rake the landing area to ensure that the landing area is free of all litter, garbage and deposited materials.
- 1.15 During each servicing, the Contractor will push garbage accumulating inside the mouth of the bins to the back of the bins to create more useable space.
- 1.16 If bins are full or likely to be full prior to the scheduled pick-up day, the Contractor will contact the General Manager immediately so that the Regional District can make suitable arrangements.
- 1.17 During each servicing, the Contractor will inspect the bin structures and bin hydraulic systems and immediately report any damage to the General Manager.
- 1.18 During each servicing, the Contractor will empty the hydraulic fluid catch basins into Regional District supplied containers. The Contractor will deliver and empty containers into the oil recycle container at the Foothills Boulevard Regional Landfill when full. This will be done at the Contractor's expense.

- 1.19 Once per year, the Contractor will, when directed by the Regional District, paint the safety rails and no-posts on the upper landing area. The Contractor will paint the transtor bins on an as needed basis, as directed by the Regional District. The Regional District will provide the paint colour codes. This painting will be done at the Contractor's expense.
- 1.20 On a regular basis, the Contractor will trim weeds and grasses growing around no-posts, rails, receiving bins, gate structures, signs and outbuildings.

7. MARSHALLING AREA

The Contractor will ensure that all site users are properly informed and guided in the use of the Marshalling Area. The unloading of acceptable materials in the Marshalling Area will be restricted to designated areas or containers. The Contractor will direct each user so that acceptable materials are deposited in a neat and orderly manner and ensure that no contaminants are introduced. A list of acceptable materials for disposal in the Marshalling Area will be provided by the Regional District and amended from time to time.

The following areas are currently established at the site.

1.21 SCRAP METAL

This area is established for the recycling of materials such as non-refrigerant containing appliances and ferrous and non-ferrous scrap metal. The Contractor will maintain the area in a neat and orderly fashion. The Contractor will separate out and dispose of any contaminates. The Regional District will make arrangements for the recycling and removal of the scrap metal.

Metal from Summit Lake or McLeod Lake Transfer Station will be cleaned up and transported to the Bear Lake Marshalling area at the Contractor's expense.

1.22 TIRES

This area is established for the recycling of Passenger Light Truck (PLT) Tires and Medium Truck (MT) Tires. The Contractor will maintain the area in a neat and orderly fashion and will keep tires piled and stacked neatly. PLT tires will be kept separate from MT tires. The Contractor will separate out and dispose of any contaminates. The Regional District will make arrangements for the recycling and removal of the tires.

1.23 YARD AND GARDEN WASTE

This area is established for the recycling of yard and garden materials suitable for composting. The Regional District will provide written information to the Contractor on the types of yard and garden material accepted. The Contractor will maintain the area in a neat and orderly fashion. The Regional District will make arrangements for the removal and composting of the yard and garden material.

1.24 SWAP SHED

A Swap Shed waste exchange building is provided for the reuse of household type items. The Regional District will provide the Contractor with written instructions on the types of materials that are accepted and restricted at the Swap Shed and the required handling of Swap Shed materials. The Contractor will maintain the area in a neat and orderly fashion and will stack or pile and dispose of the material as directed by the Regional District. The Contractor will separate and dispose of any contaminates.

The Regional District may increase or decrease the number and type of recycling services at its discretion.

8. SNOW REMOVAL AND SANDING

The Contractor will keep the following areas free and clear of snow and ice accumulations and will provide and apply pedestrian traction material and de-icing material as required to maintain user safety:

- within a 10 metre radius of the transfer bin doors used by the public;
- within a 3 metre radius of any access point to designated receiving areas within the Marshalling Area;
- within a 3 metre radius of footings located at the base of the bins;
- within a 3 metre radius of blue multi-material bin; and
- chain link gates in the open and closed positions to be shovelled and kept free of snow accumulation for ease of use.

The General Manager must approve, in advance, the de-icing and traction material product to be used.

The Regional District will maintain all Roads.

9. TRAFFIC CONTROL DEVICES AND SIGNS

The Regional District will provide all informational signs, directional devices, barricades and fencing for directing traffic within the Facilities. The Contractor will place, relocate and maintain these devices in accordance with instructions given by the General Manager. This will include ensuring that signs are in good condition, maintained in a firm vertical position, free of dirt, snow and foreign matter and ensuring that curbs, barriers and control devices are properly aligned and in good condition.

The Contractor will notify the General Manager of any damaged traffic control devices and signs.

10. LITTER CLEANUP

The Contractor will remove obstruction(s) and litter at the Facilities. The appearance of the sites will be such as to present well-maintained solid waste management facilities at all times.

The Contractor will ensure that all property within a 150 metre radius of each Facility, including access roads, ditches and culverts remains clear and free of accumulations of litter or other deposited waste materials.

- 1.25 The Contractor will ensure that ditches, culverts, gates and fences are kept clear of litter from the stop sign into the sites.
- 1.26 The Contractor shall ensure all roadways and landings within each Facility are free of any accumulations of nails and glass or any other material that may pose a hazard to site users and their vehicles.
- 1.27 The Contractor shall attempt to place any materials abandoned outside of the receiving bins into the bins. Items that can be easily broken apart should be broken down and deposited into the bins. Items that cannot be broken down or materials that should not be placed in the bins should be moved and organized so as not to obstruct the unloading area.
- 1.28 The Contractor will endeavor to identify any person(s) responsible for unlawful disposal of materials on or near each Facility and provide available evidence concerning identity and/or source to the General Manager.
- 1.29 The multi-material bin at the Bear Lake Transfer Station must have the area around it maintained from scatter and debris.

11. CONTRACTOR'S PERSONNEL

The Contractor will ensure that all personnel are experienced and well-trained to the satisfaction of the General Manager. The Contractor will provide and maintain personnel as follows:

- must have full knowledge of the Regional District's operating requirements;
- must have a general ability to provide the Regional District's information concerning reduce, reuse and recycle options available within the Regional District to site users;
- must have a neat and clean appearance;
- must have the ability to immediately contact the Regional District if any problems should arise.

12. CONTRACTOR'S FACILITIES

All structures to be constructed or temporarily placed at the Facilities by the Contractor will be subject to prior approval by the General Manager. The Contractor's request for such facilities must be made in writing to the General Manager and will include drawings and details of the structure that specify design features and building materials. The Contractor will be responsible for all building permits and associated costs that may be required. The Contractor will remove such structures from the Facilities following completion of the Contract at their own expense.

13. REGIONAL DISTRICT'S FACILITIES

The Contractor will open and close the buildings and access gates in accordance with operating hours. The Contractor will not use these buildings for the storage of any of the Contractor's tools, equipment, and anything else owned by the Contractor unless approved by the General Manager.

The Contractor will inspect all gates, fences, buildings and waste disposal equipment once per week to ensure that they are in good repair.

The Contractor will immediately report to the Regional District any fire, evidence of fire or acts of vandalism to the Regional District's facilities or structures.

The Contractor, or any of their workers, shall not issue keys for copying or for unsupervised access to any controlled access portion of the Facilities.

14. SECURITY

The Contractor should take all necessary precautions to minimize their exposure to acts of theft and vandalism. The Regional District accepts no responsibility for damage, vandalism or theft to any of the Contractor's facilities and equipment stored at the Facilities.

15. RECORD KEEPING

The Contractor must keep the following records and documents. These documents will be made immediately available to the General Manager when requested unless otherwise specified.

- 1.30 The Contractor will keep records of any unauthorized dumping at the Facilities. Records will include descriptions of material, any evidence present as to the origin of the material, estimates of volume or weight of material and photographs of the material. These records will be submitted to the General Manager within two (2) business days.
- 1.31 The Contractor will maintain a record of all complaints and concerns they may receive from Facility users on forms provided by the Regional District and submit these forms to the General Manager on a weekly basis. Complaints of a serious nature or any conflict between the Contractor or the Contractor's employees or the Contractor's Sub-Contractors and a Facility user will be reported to the General Manager immediately.

The Contractor will submit reports concerning their regular inspection and maintenance activities to the General Manager on a monthly basis. The report form will be provided by the Regional District. (Appendix B attached)
