**ADDENDUM No. 1**

**Invitation to Tender CS-19-04  
SUPPLY AND INSTALLATION OF ANTENNA TOWER**

*The addendum is being issued prior to the closing of the Invitation to Tender (ITT) to provide further information, make changes to, or to clarify the ITT Documents and is to be read, interpreted and coordinated with all other parts of the ITT Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Proponents shall attach a signed copy of this addendum to their tender submission, failure to do so may result in a non-compliant tender.** This addendum shall form part of the Contract Documents.*

This addendum is being provided in clarification to ITT CS-19-04 released April 23, 2019.

**The Regional District is extending the closing date for competitive bid for CS-19-04 Supply and Installation of Antenna Tower.** The purpose of the extension is to provide the completed geotechnical information to proponents to assist in accurate and consistent bid submissions.

The date extensions are as follows:

1. **Closing Date, as referred to in Section 1.0 Invitation and Instructions, is extended from 2:00 pm on May 13, 2019 to 2:00 pm on June 13, 2019. In all Sections of CS-19-04 referring to Closing Date, the revised closing date is 2:00 pm on June 13, 2019.**
2. **Opening Date, as referred to in Section 1.3 Closing and Opening of Tenders, is extended from 2:15 pm on May 13, 2019 to 2:15 pm on June 13, 2019.**
3. **Requests for Clarifications, as referred to in Section 1.8 Errors, Omissions, Clarifications; the last date that requests for clarification or inquiries can be accepted is extended from 4:00 pm on May 2, 2019 to 4:00 pm on June 5, 2019.**
4. **Award of Contract, as referred to in Section 4.3, is extended from anticipated award of contract on May 16, 2019 to anticipated award of contract on June 20, 2019.**

Geotechnical information is expected to be made available to proponents by way of an addendum approximately May 27, 2019. The geotechnical information will be available on the Regional District's website and BCBid. Proponents can obtain the geotechnical information to assist in their bid preparation from these two locations once it is available.

I/We hereby verify that we have considered this addendum in our tender submission.
