ADDENDUM No. 1

**Request for Proposal CS-19-06
NEW FRONTLINE ENGINE FOR HIXON VOLUNTEER FIRE DEPARTMENT**

*The addendum is being issued prior to the closing of the Request for Proposal (RFP) to provide further information, make changes to, or to clarify the RFP Documents and is to be read, interpreted and coordinated with all other parts of the RFP Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Proponents shall attach a signed copy of this addendum to their proposal submission, failure to do so may result in a non-compliant proposal.** This addendum shall form part of the Contract Documents.*

This addendum is being provided in clarification to RFP CS-19-06 released June 19, 2019.

QUESTION 1: The Fraser-Fort George/Hixon RFP is requesting a Hale 1050 IGPM pump per Appendix C. We can choose either the Hale QFLO or the QMAX – we are seeking clarification. Does the Hixon Volunteer Fire Department have a preference with regards to either the QFLO or the QMAX?

ANSWER 1: The Hixon Volunteer Fire Department preference is for the QMAX.

I/We hereby verify that we have considered this addendum in our proposal submission.
