

Addendum No. 1

Invitation to Tender ES-19-03

Transfer Station Construction at Mackenzie Regional Landfill

The addendum is being issued prior to the closing of the Invitation to Tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their tender.** This addendum shall form part of the Contract Documents.

Question: During our review of the tender documents, we see that you are requesting an irrevocable commercial letter of credit upon award and a certified cheque, bank draft or money order as the Security Deposit to accompany the tender. Is there a reason you have not listed a bid bond, performance bond and labour and material bond as acceptable? Would you accept these?

Answer: No. For this current tender, bonds will not be accepted or replace the requirement of an irrevocable commercial letter of credit upon award and a certified cheque, bank draft or money order as the Security Deposit.

Question: Will fax or email revisions to a submitted tender be accepted prior to the time of closing? If so, could you kindly provide the fax number or email address.

Answer: Fax and/or email revisions to a submitted tender will not be accepted prior to the time/date of tender closing. (see Invitation to Tender: page 5, clause 1.4, Tender Close and Opening)
