

Addendum No. 2

Invitation to Tender ES-19-03

Transfer Station Construction at Mackenzie Regional Landfill

The addendum is being issued prior to the closing of the Invitation to Tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their tender.** This addendum shall form part of the Contract Documents.

Question: In regards to your response in Addendum No. 1 stating that Bonds will not be accepted, will you be changing the schedule of quantities to match? As it stands, Item 1.2 is for Performance and Labour & Material Bonds.

Answer: Upon receiving multiple inquires, the Regional District is amending the requirement of Irrevocable Commercial Letter of Credit to now allow Bonds. Below are the changes;

Change to Section 10.0 Irrevocable Commercial Letter of Credit, page 10:

“Upon written notice of award of Contract by the Regional Board the successful bidder will provide an Irrevocable Commercial Letter of Credit. The Regional District will not execute a contract until it is in possession of the required Irrevocable Letter of Credit. The Irrevocable Commercial Letter of Credit will be equivalent to ten percent (10%) of the total sum of the contract price. The Irrevocable Commercial Letter of Credit will be kept current for the life of the Contract plus sixty (60) days as specified in the Contract Documents. Failure to provide the required Irrevocable Commercial Letter of Credit will result in forfeiture of the Security Deposit.”

Shall be changed to read:

10.0 Bonding

a. Bid Bond

The bid must be accompanied by a Bid Bond in an amount of ten percent (10%) of the total tendered price.

The Bid Bond must be issued by a Surety Company licensed to conduct business in the Province of British Columbia wherein the work is located.

If the successful bidder fails, for any reason, to execute the Contract, the portion of this Bid Bond will be forfeited to, and retained by, the Regional District of Fraser Fort George, in the amount for which the Regional District may legally contract with another party to perform the work, if the latter amount be in excess of the former.

The Bid Bonds submitted by unsuccessful bidders will be returned to them, without interest, as soon as the successful bidder has delivered, to the Regional District, a fully executed Contract for the work, or the period for which bids are irrevocable has elapsed, whichever shall happen first.

b. Performance Security

The successful bidder shall deposit, with the Regional District, when signing the Contract, the following:

- i) Performance Bond**
A Performance Bond in the amount of fifty percent (50%) of the tendered price; and a
- ii) Labour and Materials Payment Bond**
A Labour and Materials Payment Bond in the amount of fifty percent (50%) of the tendered price.

In the event of any breach, default, or non-performance by the successful bidder causing loss to the Regional District, then the Regional District may enforce the Labour and Materials Payment Bond, and/or Performance Bond as liquidated damages.

All bonds must be issued by a Surety Company authorized to do business in the Province of British Columbia.

For other changes that relate to the change to section 10.0, please find the details below:

Change wording under Bidder Checklist, Page 18:

“ Has the Security Deposit requirement been met?”

Shall be changed to read:

“ Has the Bid Bond requirement been met?”

Change wording under Tender Form, paragraph 7, Page 19:

“Accompanying this Tender please find our certified cheque, bank draft or money order as the Security Deposit in the amount of ten percent (10%) of the contract value.”

Shall be changed to read:

“Accompanying this Tender, please find our bid bond as the Security Deposit in the amount of ten percent (10%) of the contract value.

It is understood that the security deposit for the successful Tender will become the property of the Regional District as liquidated damages if the Tenderer fails or refuses to execute a contract and provide the Performance Bond and Labour and Materials Payment Bond within (14) days after notification that they are the successful Tenderer.”

Question: It is specified in the documents (SGC. 4) that the working hours are to be 10:00 am to 6:00pm Monday to Friday. Are we able to amend these hours to work 11 hours a day (7:00 am to 6:00 pm), 7 days a week? This would get the project completed earlier than September 20, 2019.

Answer: Any works to be completed outside the hours of operation of the Mackenzie Regional Landfill as described under SGC. 4 will not be considered without prior approval of the Regional District and the Engineer and only in the circumstance of critical timelines caused by no fault of the contractor, being potentially missed or in completion of critical tasks requiring completion.

Question: Is a full time Safety Officer required?

Answer: The Contractor must fully comply with Section 007319.1.6 Site Health and Safety Officer as outlined under Appendix A – Specifications. Furthermore, the Contractor must, at all time, comply with the Occupational Health and Safety Regulation (OHSR) and satisfy WorkSafeBC onsite Safety Officer requirements.
