

Addendum No. 3

Invitation to Tender ES-19-15 Compaction and Cover Services – Foothills Boulevard Regional Landfill

The addendum is being issued prior to the closing of the Tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their Tender.** This addendum shall form part of the Contract Documents.

9.0 Work – Snow Clearing (Page 12)

Question #1: Is the number of annual times the current contractor hauled snow offsite available?

Answer #1: No, as there hasn't been an instance where snow has been hauled offsite. Based on previous and current experience, the snow dump areas (as shown on Appendix I) are sufficient for the snow clearing works as described in Section 9.0 Work – Snow Clearing.
