QUESTION 1: We would like to request an extension for the CS-20-02 Radio Dispatch Console System, Call Handling/Phone System and Data and Media Logging System RFP.

ANSWER 1: The Regional District is:

- **extending the closing date for the above RFP to, Thursday April 16, 2020.**
- **extending the date for any requests for explanations, interpretations, or clarifications to 4:00 pm on Wednesday April 1, 2020. All inquiries must be submitted in writing by email to the Project Manager.**
- **the RFP award date is still anticipated to be Thursday May 21, 2020 if the evaluation process can be satisfactorily completed by May 11, 2020. However, due to the extension of the RFP closing date, award of the RFP may be delayed to Thursday, June 18th, 2020 if the evaluation process cannot be completed by the May 11, 2020 date. If the award date is delayed until June 18, 2020 it is understood that the product delivery and install date may also require revision.**

QUESTION 2: Is it acceptable to indicate "Compliant" in the first column and write a brief explanation as to why we are compliant in the final column titled "State the variation being supplied if line item is noncompliant"?

ANSWER 2: Yes, if indicating "Compliant" in the first column, writing a brief explanation in the last column would be acceptable.

I/We hereby verify that we have considered this addendum in our proposal submission.
