**MEDIA  
RELEASE**

## **JUNK IN THE TRUNK COMMUNITY GARAGE SALE RETURNS THIS SATURDAY**

Looking for useful and unique pre-loved stuff? Come out and shop one of Prince George's largest garage sales! **Junk in the Trunk** is happening this Saturday April 30 in the CN Centre Main Parking Lot from 9:00am to 1:00pm.

The 125 vendor stalls have already sold out at this popular event which is an initiative of the Regional District of Fraser-Fort George and REAPS to promote reuse and recycling, reducing the amount of unwanted material that ends up in the landfill.

Rachael Ryder, Waste Diversion Program Leader at the Regional District says "this is the perfect opportunity to find new treasures. Somebody else's unwanted stuff may be exactly what you are looking for. As they say one person's trash is another's treasure."

Tire Stewardship BC will also be on hand accepting used tires from residents, so if you have old tires in the yard or garage, it's the perfect opportunity to do some spring cleaning.
