**Summit Lake  
Regional  
Transfer Station**

## SITE OPERATION

The Summit Lake Regional Transfer Station is operated by the Regional District of Fraser-Fort George and is designed to receive **small loads** of household garbage. The material delivered to this facility will be transferred to the Foothills Boulevard Regional Landfill in Prince George.

Commercial and large loads should be delivered to the Foothills Boulevard Regional Landfill in Prince George at West Austin and Foothills Boulevard.

## TRANSFER STATION SERVICES

The facility provides household garbage disposal service by way of the on-site transfer station. All waste is to be deposited into the transfer station bins.

The transfer station is designed to receive **bagged household garbage and to accommodate the tipping of garbage cans**. Household garbage is comprised of materials such as food waste, packaging waste, plastics, textiles, glass and cold wood ash from residential fireplaces. Garbage should be contained in a large garbage bag or a garbage can with a lid for transport to the facility. When leaving, please ensure that the bin door is shut and latched to prevent animals from entering the bin.

## LOCATION MAP

## ALTERNATE WASTE DISPOSAL OPTIONS

### Multi-Material Recycling

Multi-material recycling bins are located in convenient locations throughout Prince George. For a list of recycling depots, please contact the Regional District Service Centre at 250-960-4400. **The nearest recycle depot to this site is the Foothills Boulevard Regional Landfill** where recycling bins are provided to receive:

- **Cartons and Containers**  
*Plastic containers, steel packaging, aluminum containers and paper packaging containing liquids when sold. Empty and rinse containers -labels are okay, remove caps, pumps & lids, place loose in the bin. Put metal lids inside cans and flatten.*
- **Mixed Paper**  
*Catalogues, glossy flyers, cereal boxes, office paper, kraft grocery bags, envelopes, magazines, newspaper and cardboard egg cartons. **NO paper that has any plastic, foil, wax, or food residue attached to it.***
- **Corrugated Cardboard**  
*There is a separate bin for flattened corrugated cardboard. Corrugated boxes have a rippled layer sandwiched between layers of linerboard. Waxed or contaminated corrugated cardboard (cardboard covered with grease, oil, paint or other materials) is not recyclable and should be placed in the garbage*

For a detailed list of accepted materials, please refer to the Regional District Recycling Brochure, visit our website or [www.sortsmart.ca](http://www.sortsmart.ca).

### Tire Recycling

As of March 31, 2022, tires are no longer accepted at Regional District transfer stations or landfills.

When buying new tires, leave your old ones with the tire retailer and they will ensure that they are recycled. Otherwise, please visit Tire Stewardship BC (TSBC) ([www.tsbc.ca](http://www.tsbc.ca)) or call Toll-free [1-866-759-0488](tel:1-866-759-0488) to find your nearest drop-off location.

## Appliances Containing Refrigerant

Fridges, freezers, air conditioners, and dehumidifiers under the Major Appliance Recycling Roundtable Stewardship program are accepted free of charge for recycling. For more information on MARR check out their website: <https://www.marrbc.ca/>

## Yard and Garden Waste

Backyard composting is an effective method for handling your yard and garden waste.

The Recycling & Environmental Action Planning Society (REAPS) [www.reaps.org](http://www.reaps.org) offers workshops and provides information brochures on home composting. For more information, call REAPS at 250-561-7327.

The Foothills Boulevard Regional Landfill site has a centralized composting operation for recycling yard and garden trimmings (leaves, grass and hedge clippings, plants, flowers, vegetable stalks, shrub and tree branches up to 75 mm (3 inches) in diameter). Weeds, land clearing debris and industrial sources of wood waste are not accepted for composting.

## Scrap Metal Recycling

Small loads of metal materials are accepted at the Foothills Boulevard Regional Landfill and the marshalling area of the Bear Lake Regional Transfer Station for recycling. Acceptable materials include:

- Appliances and parts such as stoves, dishwashers, hot water tanks, washers, dryers and any other **non-refrigeration** type appliance, many of which are part of MARR;
  - Bicycle frames and barbecue hulks;
  - Metal roofing and siding;
  - Lawnmower bodies, snowmobile and motor bike frames (fuel, lubricants and tires must be removed);
  - Any steel containers (drums and tanks) must be crushed or perforated to ensure that they contain no liquid or hazardous material. Pressurized containers cannot be recycled.
- Private scrap metal services are available for commercial generators and for auto hulk disposal.
