

## Teare Creek Wildfire Update

May 6, 2023  
1730 hrs

The Regional District of Fraser-Fort George and the Village of McBride advise that all evacuation orders and alerts pertaining to the Teare Creek Wildfire east of McBride remain in effect. No changes to these orders and alerts are anticipated for the next 24 hours.

The public are reminded that the fire is still active and for their own safety they must refrain from entering evacuation areas.

Additional patrols and security are in place for evacuation areas.

Any updates and changes to the orders will be posted to the Regional District of Fraser-Fort George and Village of McBride websites and Facebook pages.
