

All Evacuation Orders and Alerts for Teare Creek Wildfire Rescinded

May 7, 2023
1100 hrs

The Regional District of Fraser-Fort George and the Village of McBride advise that all evacuation orders and alerts pertaining to the Teare Creek Wildfire east of McBride have been rescinded and are no longer in effect.

BC Wildfire Service advises that their crews continue to conduct mop up operations as well as Danger Tree Assessing and Falling in active fire area and reminds the public that the Teare Creek wildfire is still an active wildfire and a BCWS worksite.

In order for wildfire suppression activities to continue safely and effectively, the public must stay out of active fire areas.

Further details from BC Wildfire Service on wildfire activity is available at www.bcwildfire.ca
