## **Regional District warns of fraudulent calls appearing from a Regional District number**

The Regional District of Fraser-Fort George is warning the public about telephone scams appearing to come from a Regional District telephone number.

The Regional District of Fraser-Fort George never initiates a request for social insurance number and credit card number by telephone. If an individual receives a telephone call asking for this information, it is a scam. If this happens, please ignore, hang up, don't answer the text or email and report the incident to the Canadian Anti-Fraud Centre <https://www.antifraudcentre-centreantifraude.ca>

If you receive a call from the Regional District and are unsure if it's legitimate, please hang up and call our main number at 250-960-4400 and ask to be directed to the department related to the subject matter of the call.
