**ADDENDUM No. 3**

**Request for Proposal CS-20-15  
SHELL-GLEN FRONTLINE WATER TENDER**

*The addendum is being issued prior to the closing of the request for proposal (RFP) to provide further information, make changes to, or to clarify the RFP documents and is to be read, interpreted and coordinated with all other parts of the RFP documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Proponents shall attach a signed copy of this addendum to their proposal submission, failure to do so may result in a non-compliant proposal.** This addendum shall form part of the Contract Documents.*

---

This addendum is to provide clarification to RFP CS-20-15 released October 7, 2020.

QUESTION 1: Freightliner does not provide an electric driver's seat. Only air ride driver's seats or a seat with fore and aft adjustment is available. Please state what is preferred.

**ANSWER 1: Bid to include a Seats INC 911 Universal Series High Back Air Suspension driver's seat that will provide fore and aft, and up and down, adjustments. Seat color to be grey, and to match as close as possible to the passenger seat.**

I/We hereby verify that we have considered this addendum in our proposal submission.
